A LIVESTREAM PANEL DISCUSSION

EMPOWER
RESTORE
INSPIRE

The Archdiocese of Detroit offices of Black Catholic Ministry and Evangelization will host a livestream panel discussion featuring Dr. Lydia Rayes, a local physician, about empowering women to learn more about their own health and wellness, and how this

promotes early detection and safe medical treatment for a number of different women's health issues. Dr. Rayes will be joined by Vickie Figueroa of Black Catholic Ministries, and Nicole Joyce, a FertilityCare Practitioner from the Office of Evangelization.

Join the discussion via [Zoom](#) or on the [Black Catholic Ministries Facebook page](#).
